GLOBAL PUBLIC DISCLOSURE & TERRITORIAL RESTRICTION NOTICE

Patents: P-171554-CH / P-171557-CH / P-171559-CH

IPI Demand Numbers: CH001253/2026, CH001254/2026, CH001267/2026

DATE OF ISSUANCE: October 21, 2026

EFFECTIVE DATE: Immediate upon publication

1. GLOBAL AUTHORIZATION FOR DEVELOPMENT, MANUFACTURING & COMMERCIALIZATION

Subject to the territorial restrictions set forth herein, the Inventor grants to the global public a royalty-free, non-exclusive, worldwide authorization to read, evaluate, test, replicate, develop, manufacture, commercialize, and fully exploit the technical specifications, procedures, and methods disclosed within patents P-171554-CH, P-171557-CH, and P-171559-CH.

2. ABSOLUTE TERRITORIAL EXCLUSION & MONOPOLY RESERVATION: SWITZERLAND

NOTWITHSTANDING SECTION 1, THE INVENTOR FULLY RESERVES AND RETAINS ALL EXCLUSIVE INDUSTRIAL PROPERTY RIGHTS WITHIN THE TERRITORY OF THE SWISS CONFEDERATION.

Any individual, corporation, or entity operating, residing, or planning any application, development, manufacturing, or commercial exploitation within Swiss territory is strictly excluded from this public grant. Any unauthorized use, replication, manufacturing, or commercialization within Switzerland shall constitute an immediate infringement of Swiss patent rights under Swiss Federal Law, subject to legal prosecution, injunctions, and financial damages.

3. RESERVATION OF PROPRIETARY SECRETS & FUTURE DEVELOPMENTS

This disclosure grants rights strictly limited to the published written specifications of the three aforementioned patents. It does not transfer any rights, title, or access to unpublished proprietary manufacturing procedures, formulas, kinetics, implementation secrets, or future technical developments (including Patent 4), which remain the absolute and exclusive property of Frédéric Bryand.

IN WITNESS WHEREOF, the Inventor and absolute rights holder has executed this Legal Notice.
